

Innovation Pioneers General Data Protection Regulation

Innovation Pioneers IP International AB protects your individual rights and personal data. This data protection policy describes how we collect, use, store and share personal information. This policy applies from May 25, 2018, when the General Data Protection Regulation (GDPR) come into force.

By using our services, you accept our Data Protection policy and our use of your personal data. You also accept the use for different channels of communication, such as e-mail and phone to send you information. It is important that you read through and understand our policy before you use our services.

We collect your personal data for business purposes to be able to offer our services, accomplish our orders, communicate and to handle invoices.

We collect your personal data when you visit our website, when you choose to subscribe on any of our communications or in some cases when you contact us.

We only collect the data we need in order to be able to deliver our services and continue our business.

We do not share any data with third parties. However, we use different suppliers' products and services for our IT-infrastructure. This means that they may process your personal information, but they are only allowed to use the information based on our instructions.

We retain the data as long as it needed to deliver our services or until the individual or the company itself requests to delete it.

Information we get from you

Personal data

Name, e-mail, phone number, company, address

Purpose with the data:

We collect the data we need in order to communicate with you and to send and receive invoices.

Device information

Language settings, browser settings, time zone, geographic information, operating system, platform and screen resolution.

Purpose with the data:

Offer and improve the services in the best possible way.

Your rights

Right of withdrawal of consent

You are entitled to revoke your consent of processing certain personal data at any time. If you revoke your consent, the process of the data you have approved will be ended.

Right of access

You have right to access information of which personal data that exist about you and how we process these data. You have also right to get a copy of this information.

Right of revoking and erasing

You have the right to revoke, correct and change wrong information. In some cases, you have also right to get your personal data deleted. For example if they are no longer necessary for the purpose of which they were collected.

Right to object and limit the use of the data

You have a right to object to the use of your data, for example direct marketing and in cases where we process the data on a legal basis that we have a legitimate interest.
